Notes for Tree Shipments: In partnership with the Arbor Day Foundation, tree species are pre-selected conifers appropriate by hardiness zone and must be ordered by **October 1** for fall planting or **April 1** for spring planting. You will be contacted to arrange all details including delivery date after we receive your order; (we will need 15 business days notice prior to your delivery date). Please note: we recommend all locations within northern U.S. (hardiness zones 1-4) plant trees only during spring; your order deadline is **March 1**.
